ERRATUM TO: ANN SURG ONCOL DOI 10.1245/S10434-016-5448-0

In the original article there was an error in Fig. 1b. Following is the corrected figure.

FIG. 1 Kaplan–Meier curve for the OS rate in patients with advanced gastric cancer.
a Survival rates of young patients (≤ 45 years); females had worse OS than males.
b Survival rates of old patients (>45 years); no significant differences in OS were observed between the two sex groups. OS overall survival
