Correction for 'A morphology-dependent lattice stability investigation in ZnS nanostructures by high-pressure XAFS studies' by Qing Dong *et al.*, *J. Mater. Chem. C*, 2022, <https://doi.org/10.1039/d2tc02043b>.

The authors regret the omission of grant number 2022H1D3A3A01077468 from the Acknowledgements section of the published article. The corrected version of the Acknowledgements should read as follows:

This work was supported by the BK21 Four (Fostering Outstanding Universities for Research) Program through the National Research Foundation (NRF) funded by the Ministry of Education of Korea, and Grants (NRF-2021R1A2C1006198, 2022H1D3A3A01077468), and the National Natural Science Foundation of China (11874172 and U2032215).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
