Marek Cmero , Ke Yuan , Cheng Soon Ong , Jan Schröder, PCAWG Evolution and Heterogeneity Working Group*, Niall M. Corcoran, Tony Papenfuss , Christopher M. Hovens, Florian Markowitz , Geoff Macintyre  & PCAWG Consortium*

In the published version of this paper, the members of the Pan-Cancer Analysis of Whole Genomes (PCAWG) Consortium were listed in the Supplementary Information; however, these members should have been included in the main paper. The original article has been corrected to include the members and affiliations of the PCAWG Consortium in the main paper; the corrections have been made to the HTML version of the article but not the PDF version.
